

Outsource your payroll

Simplify payroll and elevate care – let ACCPA handle your payroll.

We are fortunate to work in a purpose-focused industry driven by quality of life and care for the people we support. But your staff don't work for love alone. Ensuring they are paid accurately and on time is critical in keeping employees motivated and retaining quality staff.

ACCPA has been delivering payroll services for Member organisations for over 20 years. Our team have a complete understanding of modern and older awards as well as the many varied enterprise agreements.

We offer professional, cost effective and accurate payroll processing and comprehensive reporting for each pay cycle, each month and at end-of-year.

Services include:

- Costing reports
- PAYG tax reports
- Superannuation with clearing house
- Single touch payroll
- Online time and attendance and rostering
- Fringe benefit payments
- Pay reconciliation
- Deductions

Benefits of outsourcing

- Reduce internal administration
- Reduce your overheads
- Reduce the need for people management, career development or holiday cover
